Sir,

Sub: Objections / suggestions to the Public Notice regarding ARR filings and Tariff/Charges.

Ref: Public Notice issued by the TSSPDCL dated 10-03-2016, related to the filing of ARR and Tariff proposals including cross-subsidy surcharge proposals.

We would like to introduce “Deccan Hospitals, Apollo Hospitals (AHEL) and Apollo Institute of Medical Sciences (AIMSR) a Medical College, Jubilee Hills, Secunderabad, Hyderguda, DRDO, Hyderabad. We have bed strength of 1000. We treat about five lakhs patients as outpatients, about one lakh patients as inpatients and two lakh emergency patients annually. More than 70% of the patients belong to the Aarogyasri, EHS, Arogya Bhadrata, CGHS and other categories who are provided treatment at subsidize tariff prescribed by the Government. At any given point of time about hundred patients are treated in Intensive care units and all of them require continuous round the clock monitoring, ventilatory support and multi organ support care. Frequent interruptions and voltage fluctuations in power supply was serious problems for these patients inspite of the UPS and generator backup that we have.

We request you to kindly consider these facts and review the recently issued public notice for tariff policy (dated 10/03/2016) given by the Southern power distribution company of Telangana Limited. (TSSPDCL).

1. We request you to shift, hospitals from the HT 2 category to HT 6 category and provide preferential tariff. A separate category for Hospitals, at preferential tariffs is preferred.
2. Since Hospitals work on a 24 hour basis, we request relief from Time of Day Tariffs.
3. Since the hospitals cater to the needs of a large number of sick patients on ventilators and monitors we request you to provide uninterrupted power supply.
