TCSH/TSSPDCL/ARR&FPT-
 2022-23
 January 2022

17

**The Chief General Manager (RAC),
 TSSPDCL, Corporate Office,
 'A' Block, First Floor, Mint Compound
 Hyderabad 500063**

Dear Sir,

Sub: Suggestions/Comments in the matter of ARR & FPT for Retail Supply Business for 2022-23

Ref: ARR& FPT filing and the related Public Notice issued by TSSPDCL dated 29.12.2021

1. We would like to thank your good office for including green tariff in the ARR &FPT for FY 2022-23 which will help the consumers in achieving the RE and sustainability goals. In this aspect, we would like to bring the following for your consideration.

DISCOMs where Green tariff is Available:

2. Many DISCOMs in the country have implemented Green Tariff to promote the use of Green Renewable Energy and thus reducing the usage of fossil fuel, which will lead way for a sustainable future. Details of Some of the DISCOMs are given below:

Discom	State	Green (Rs/u)	Tariff	Status
--------	-------	-----------------	--------	--------

TATA power	Maharashtra	0.66	Approved
MSEDCL	Maharashtra	0.66	Approved
Adani	Maharashtra	0.66	Approved
BESCOM	Karnataka	0.50	Approved
APSPDCL	Andhra Pradesh	12.25/Discom unit	Approved
DPT	Gujarat	0.50	Approved
TSSPDCL	Telangana	2.00	Proposed
Torrent	Gujarat	0.50	Proposed
MGVCL	Gujarat	0.50	Proposed
GIFT	Gujarat	0.77	Proposed

3. There was a very good response for the green tariff proposal from the customers, wherever the incremental rate was fixed reasonably (ie.Rs.0.5 to Rs.0.66).

Green Tariff- Beneficial to All

4. The option of Green Tariff is being proposed for those who wish to avail power from non-conventional sources of energy voluntarily and show their support to an environmental cause. We feel that the incremental cost proposed should be in such a way that the tariff should attract more consumers, on this sustainable journey. In turn it will help in a better revenue generation for the DISCOM.

5. We request your good office to consider, the rates to be encouraging and conducive for the consumers to embrace the new option.

6. In view of the above, we are submitting that the **Green tariff be fixed at a maximum incremental cost of Rs.0.50 per unit.**

Thanking You
Yours Faithfully
For **Tata Consultancy Services Limited,**

Regards
