

TELANGANA STATE ELECTRICITY REGULATORY COMMISSION

NOTIFICATION

DRAFT REGULATION

Preamble:

The Commission had earlier notified the Regulation No. 1 of 2006 being (Levy and collection of fees and charges by State Load Despatch Centre) Regulation, 2006 (hereinafter referred to as Principal Regulation) in the Gazette dated 27.07.2006. The Commission notices that the regulation does not provide for consequences of delay in filing the proposals with the Commission in terms of the regulation.

Accordingly, in exercise of powers conferred on it under clause (3) of Section 32 read with clause (g) of Section 181 (2) of the Electricity Act, 2003 (Central Act No. 36 of 2003) including amendments thereof and all powers enabling it in that behalf, the Telangana State Electricity Regulatory Commission hereby makes the following amendment to the Principal Regulation:

1 Short title, Extent and Commencement

- (1) The Regulation shall be called the **Telangana State Electricity Regulatory Commission (Levy and collection of fees and charges by State Load Despatch Centre) First Amendment Regulation, 2022.**
- (2) The Regulation shall extend to the whole of State of Telangana.
- (3) This Regulation shall come into force on and from the date of publication in the Telangana Gazette.

2 After clause 4.6 the following proviso shall be added.

“Provided that in case of delay in submission of filings as required under this Regulation, the operating charges shall be reduced as the Commission deems fit.”

(By order of the Commission)
